

2023 WellSky Personal Care Training Summit Schedule

Schedule updated Tuesday, April 19, 2023*

Day One – Wednesday, June 21, 2023 (Times listed in Eastern Daylight Time)

Start Time	End Time	Session Title	Session Description
10:30 AM	10:40 AM	Welcome Session & Housekeeping Items	Welcome to the 2023 WellSky Personal Care Training Summit! This session reviews today's housekeeping items.
10:40 AM	11:40 AM	New Features	Overview of new features released in WellSky® Personal Care that you may have missed in the past several months.
11:40 AM	12:40 PM	Prospect to Client Intake Process	This session reviews the process of adding in a prospective client, converting them to a client, and adding all the details to the client profile.
12:40 PM	1:40 PM	Applicant and Caregiver Management	This session will include adding in an applicant caregiver, converting them to a caregiver, and adding all the details to the skills, background, and certifications.
1:40 PM	2:10 PM	Lunch	Let's take a short break for lunch.
2:10 PM	3:10 PM	Custom Forms	This session is a complete walkthrough demonstrating client and caregiver custom forms in WellSky® Personal Care. We will also cover tips and tricks to make custom forms utilization easier.
3:10 PM	3:55 PM	Profile and Activity Tag Best Practices	This session will discuss and demonstrate the need for and use of activity and profile tags. Activity tags are used to categorize features in WellSky® Personal Care based on your agency's needs. Activity tags are a great way to track internal notes, organize information, and group interactions with all profile types. Profile tags allow profiles in WellSky® Personal Care to be classified and grouped in specific ways.
3:55 PM	4:10 PM	Break	Let's take a short break.
4:10 PM	5:10 PM	Referral Source Best Practices	Referral Sources will help your office to identify and manage referral sources. This session will cover creating profiles and referral source tracking and reporting tools.
5:10 PM	5:40 PM	Family Room, Change in Condition, Hospitalization	This session is a complete walkthrough demonstrating the setup, enablement, and utilization of the family room, change in condition, and hospitalization & readmission features.
5:40 PM	6:00 PM	Panel Discussion and Q & A with solution experts	We will end the day with a panel discussion and Q & A with solution experts.

Day Two – Thursday, June 22, 2023 (Times listed in Eastern Daylight Time)
